Show Chairman: Andy Coghill-Beherends mistercoghill@hotmail.com

Head AOS Show Judge: Nile Dusdieker niledusdieker@gmail.com

Show committee members in addition to above: Dorothy and Michael Hampton, Lois Dusdieker, Kathy Wilcox, Bill & Jean Snyder, Ann Morris, Nancy Granner, Sharon Neff, Bill Page, Bill Englert

<http://www.easterniowaorchidsociety.org>

EASTERN IOWA ORCHID SHOW REGULATIONS

1. The show will be held at Noelridge Park Greenhouse and will be open to the public during show hours with no admission fee.
2. Requests to exhibit may be made to the show chairman (mistercoghill@hotmail.com or niledusdieker@gmail.com). Exhibitors may include orchid societies, individuals, and commercial vendors (by invitation only). Exhibits are limited to orchids and related orchid materials. No other flowers may be exhibited. The show chairman reserves the right to limit exhibit space depending on availability.
3. Exhibits may be set up between noon and 6 pm on Friday, Oct. 14th and plants must be registered by 6 pm in order to be eligible for judging. Exhibits must remain in place until 4 pm on Sunday, Oct. 16th. The exhibitor is solely responsible for setup and take down of their exhibit.
4. An **Open Exhibition Table** will accept up to 3 plants from **anyone** who wishes to display their blooming orchid. Entries must be registered Friday Oct. 14th from noon – 6PM and must stay on the exhibit table through Sunday at 4 PM. Plants will be eligible for ribbon and AOS judging.
5. Eastern Iowa Orchid Society is not responsible for loss or damage to exhibited material.

JUDGING PROCEDURES

1. General information

This is an American Orchid Society (AOS) sanctioned show, and must comply with the current rules of the American Orchid Society **Handbook on Judging and Exhibition** and any interim rules issued by the AOS **Judging Committee**. At the show, there must be three or more judges accredited by the American Orchid Society (AOS). The decisions of these judges will be final. The American Orchid Society system of judging will be used in all events.

All judges and clerks are expected to familiarize themselves with the show rules.

Show schedule and orchid classification will follow the Mid-American Orchid Congress Guidelines **updated Jul. 2016 (copy available from EIOS website and at judges table)**

All plants and flowers will be considered for recognition based on present quality, without regard to previous awards. To maintain highly competitive standards, no trophies or other recognition will be awarded if, in the judges' opinion, the flower, plant or exhibit does not warrant such recognition. Judges and/or the host orchid society may subdivide or add additional classes or awards at their discretion.

2. AOS awards

This show has been approved for AOS judging. **All flowers**, whether entered for ribbon judging or not, will be considered for AOS awards **unless** otherwise marked by the exhibitor. **If the current flowers have previously been exhibited at an AOS judged orchid show or monthly judging, they are not eligible for further consideration.** They should be marked, "**Not for AOS judging**" on the entry tag. This will not disqualify the flower from consideration in the proper ribbon or trophy class. Submission of plants or cut flowers for judging shall obligate the exhibitor to accept any award granted and to pay any fees connected with such an award except where he has clearly indicated before the judging that his entry is not to be AOS judged.

3. Ribbon judging

First, second and third place ribbons may be awarded to the best three (3) entries in each class other than a trophy class. All plants and cut flowers must be correctly entered in the appropriate class, or reclassified by a judge, to be eligible for ribbon judging. **Exhibitors will enter their plants using standard Mid-America show tags.** After completing the registration of the material, the copy goes on the plant while the original remains at the entry desk. Entry tags should show plant parentage, clonal name, if assigned, and previous awards, if any, to the clone.

(See section: Procedure for Entry of Plants and Exhibits.) An official copy of the correct entry classes to enter your plants is available at the entry desk. Where a plant could conceivably fit into more than one class, the exhibitor shall enter it into the first applicable class listed. A mericlone is considered a vegetative division of the original plant and must be treated as such. If a plant is a mericlone, it should be so designated and the clonal name given. Species classes will include natural hybrids. Criteria employed in ribbon class definitions refer to characteristics prevailing for mature plants grown according to normal horticultural practices. **Plants of unknown parentage (no names) are not eligible for AOS judging but are qualified for ribbons judging.**

4. Trophy and Special Awards eligibility

All trophies (Best of Class Awards) and Special Awards are open to all exhibitors in this show, if the exhibit is entered properly and show rules are complied with, unless otherwise specified in this schedule. **Best of Class Awards: A minimum of two first place ribbons must be given in the group of classes in order for a Best of Class Award to be given.**

5. Plant and flower Trophies and Special Awards

In order to be eligible for any special awards, plants and exhibits must be entered for ribbon judging. No separate entry is required.

6. Exhibit trophies

Each exhibit may be entered in **ONE** class only. All exhibits must be entered on standard Mid-America entry tags. All exhibits are eligible for the AOS Show Trophy and will be judged in accordance to the criteria in the current AOS Handbook on Judging and Exhibition.

SHOW CLERKS:

Classification registration clerk (Friday night)

Reviews entries and compares them to show schedule classifications, and checks to see that all information is provided on the entry tag. Note: The exhibitor is ultimately responsible for the correct classification of an entry.

Entry registration clerk (Friday night)

Located at the entry registration desk, receives plant/exhibit entries from exhibitors, adds the proper entry number, and adds it to the other entries in the same class. These responsibilities are often shared by two or more people.

Show (ribbon) judging clerks assist the judges during the judging process:

Head Clerk

Responsible for the efficient performance of the judging process. This also includes recording the decisions of the judges, making a record of the awards given, and leading the judges to the next class to consider. When personnel are available, this person should be assisted by two additional clerks.

Ribbon clerk

Responsible for maintaining the ribbon supply, adding class, entry number or plant name and date to each ribbon awarded, obtaining the signatures of the judges, and placing the ribbons in accordance with the awards granted.

Spotter

Assists in locating exhibits and plants plus any other duties that may be assigned.

During the show judging, clerks are not to participate in the process *unless asked to do so*. Most often, only judges are to be involved in the deliberations concerning an entry considered for competitive awards. In all cases, clerks are to assist the judges to effect efficiency during the judging process. Further, deliberations, when verbally expressed, must not be repeated nor discussed with others. Judges will endeavor to make the ribbon judging experience amiable and educational for all involved.

SHOW RULES AND REGULATIONS

All exhibitors are expected to familiarize themselves with the show schedule and exhibition guidelines.

1. Each exhibitor agrees upon entry to abide by the rules and regulations of the show. All questions regarding the interpretation of these rules shall be referred to the Judging Chairman for a decision.
2. Each exhibitor is limited to three entries per class, **with the exception of classes 98,99, and 102 which are not restricted.**
3. Each plant should be entered in ONE class only, **except Specimen Plants (Class 102), which may be entered into more than one class.**
4. Improperly entered plants/exhibits may be either reclassified or disqualified at the discretion of the judges.
5. In order to sell orchid plants and related materials at the show, the vendor must place an exhibit of at least 25 square feet with minimum of 5 blooming plants in the show (table top qualifies). It must conform to the quality of the show in accordance with the Show Committee.
6. Foliage plants, moss etc. may compliment exhibits, but no artificial or dyed moss or foliage of any kind will be permitted with the exception of artificial grass used as a floor covering. Plants in flower or cut flowers other than orchids will not be permitted in an exhibit. No dyed flowers will be permitted.
7. Neither the host society nor show sponsor is responsible for loss or damage to any plants, blooms, corsages, containers or other property of exhibitors. However, every precaution will be exercised for their safety.
8. Any lighting used for effect is the responsibility of the exhibitor. It must be coordinated with the show chairman. **No electricity is available for this show.**
9. All plants or cut flowers exhibited must be properly labeled. Plant ownership should not be visible prior to judging.
10. No cut flowers will be permitted in flowering plant exhibits, and no flowering plants will be permitted in cut flower exhibits.

ORCHID CLASSIFICATION

1. Entries not in accordance with this show schedule may be disqualified.
2. In general, plants should be entered in the first applicable class. If in doubt, see the Mid-America Classification Schedule. **At the exhibitor's discretion, a plant may be entered in 'first bloom seedling' or 'miniture' classes in lieu of appropriate genus class BUT not both and shall be ribbon judged according to the class entered.**
3. A meristem plant or cut flower may **NOT** be entered as a seedling blooming for the first time.
4. For purposes of this schedule, the word "hybrid" means a cross made with the genus listed, unless preceded by the word "intergeneric", in which case, two or more different genera are used in the cross.
5. For the purpose of this show, an amateur is defined as any person who has not sold more than a total of five hundred plants and/or flowers in the last year.

6. Color Definition:
 - a. In general, **blush colors** and **two-toned** flowers should be entered in the "**Other Colors**" classifications with the exception of Phalaenopsis, which has a dedicated blush class.
 - b. Color in **Paphiopedilum** hybrids is based on the dominant flower color.
 - c. **Phalaenopsis with 'harlequin coloring' shall be entered in the class of the base color with markings.**

PROCEDURE FOR ENTRY OF PLANTS AND EXHIBITS

1. A separate entry must be made for each plant, cut flower and exhibit.
2. Print legibly on the entry tags.
3. Obtain a sufficient supply of entry tags from the registration desk or request tags by mail from niledusdieker@gmail.com.
4. Also obtain an EXHIBIT and OWNER NUMBER at the registration desk. These numbers should appear on each entry tag. They assist the clerks and judges to locate plants and exhibits while judging.
5. On each entry tag, indicate the CLASS NUMBER for each entry. Check show schedule for the correct class. **It is your responsibility to classify your entries correctly. PLEASE NOTE: Many changes have occurred recently orchid taxonomy This show schedule uses the newly updated MAOC Classification and Intergeneric List dated July of 2016.**
6. Under NAME, indicate the name of the plant, flower, or exhibit including, if applicable, the clonal name and any AOS award received. Underneath the name write 'species' or list the parentage, of a hybrid or write **unknown**. Do not write in the AWARD section.
7. Return **both** copies of the completed entry tags to the entry desk in numerical order, according to CLASS NUMBER. Do not separate the entry tags. Each entry will be assigned a TAG NUMBER. The **original** stays at the entry desk to be used by the judging teams. The **copy** is to be placed on the plant, flower or exhibit.
8. If the plant with the current bloom has been to a previous AOS judged event or if the exhibitor does not wish the plant to be considered for AOS judging, write **Not for AOS Judging on the entry tag.**
9. **THE OPEN EXHIBITION TABLE: Members of the public may enter their blooming orchids and have them judged with the rest of the orchids in the show.** Plants must be disease free and presented to the registration desk at Noelridge Greenhouse from Noon to 5 PM on Friday Oct. 20th. They will remain on exhibition till 4 PM on Sunday Oct 22nd and may be picked up at that time. Plants entered on the open exhibition table should use the entry procedures above. The registration clerk will assist with registration for those who need help. **Neither Noelridge or the Eastern Iowa Orchid Club will be liable for damage to these or any plants in the show. Docents will be present thought out the show monitoring exhibits. WE ENCOURAGE PUBLIC PARTICIPATION!**

MID-AMERICA ENTRY SCHEDULE

EXHIBITS

Exhibits shall NOT be disqualified solely on the basis of size but shall be moved and judged in the appropriate size class. Therefore, judges are requested to judge exhibit classes from small to large size order. Table top exhibits are judged in the classes below according to their size (25 sq. ft, 50 sq ft)

A. Open Competition

1. Orchid plants in flower, arranged for effect, 25 Square feet maximum.
2. Orchid plants in flower, arranged for effect, 50 square feet maximum.
3. Orchid Plants in flower, arranged for effect, more than 50 square feet.

Best of Classes 1 - 3

4. Other exhibits, no space limitations. (Examples might include: Educational exhibits, Cut flowers arranged for effect, Orchid related materials arranged for effect including photographs, etc.) Exhibits judged for their overall presentation in this class. (Individual content of exhibit judged in Classes 103 - 108.)

B. Orchid Societies affiliated with the American Orchid Society

5. Orchid plants in flower, arranged for effect, 25 square feet maximum.
6. Orchid plants in flower, arranged for effect, 50 square feet maximum.
7. Orchid plants in flower, arranged for effect, more than 50 square feet.

Best of Classes 5 - 7.

C. Amateur Competition

8. Orchid plants in flower, arranged for effect, 25 square feet maximum.
9. Orchid plants in flower, arranged for effect, more than 25 square feet.

Best of Classes 4, 8, & 9.

D. Cattleya Alliance

10. Encyclia, Epidendrum and Prosthechea species.
11. Encyclia, Epidendrum and Prosthechea hybrids and intergenerics, but excluding Cattleya and Guarianthe.
12. Brassavola species, including Rhyncholaelia), hybrids and intergenerics other than above, but excluding Cattleya and Guarianthe.
13. Broughtonia species, hybrids and intergenerics other than above, but excluding Cattleya and Guarianthe.
14. Traditional Laelia and Sophronitis species, hybrids and intergenerics other than above, but excluding Cattleya and Guarianthe. **Exhibitor has option of entering here or 15-25: not both.**

Best of Classes 10 – 14.

Cattleya Alliance continued

15. Cattleya and Guarianthe species.
16. Cattleya allied genera species other than above.
17. Cattleya and Guarianthe hybrids and intergenerics other than above, Lavender/Mauve, flowers 4 inches or less.
18. Cattleya and Guarianthe hybrids and intergenerics other than above, Lavender/Mauve, flowers larger than 4 inches.
19. Cattleya and Guarianthe hybrids and intergenerics other than above, White.
20. Cattleya and Guarianthe hybrids and intergenerics other than above, Semi-alba.
21. Cattleya and Guarianthe hybrids and intergenerics other than above, Yellow/Orange, flowers 4 inches or less.
22. Cattleya and Guarianthe hybrids and intergenerics other than above, Yellow/Orange, flowers larger than 4 inches.
23. Cattleya and Guarianthe hybrids and intergenerics other than above, Red/Red shades, flowers 4 inches or less.
- 23a. Cattleya and Guarianthe hybrids and intergenerics other than above, Red/Red shades, flowers larger than 4 inches.
24. Cattleya and Guarianthe hybrids and intergenerics other than above, Other colors.
25. Cattleya allied genera hybrids and intergenerics other than above.
26. (void – not in use)

Best of Classes 15 - 25.

E. Cypripedium Alliance

27. Paphiopedilum species, normally one flower when mature.
28. Paphiopedilum species, normally two or more flowers when mature.
29. Paphiopedilum species, sequential blooming.

NOTE: Primary hybrid has species as each parent.

30. Paphiopedilum hybrids, primary, White.
31. Paphiopedilum hybrids, primary, Green/Yellow
32. Paphiopedilum hybrids, primary, Bronze/Mahogany.
33. Paphiopedilum hybrids, primary, Red/Pink.
34. Paphiopedilum hybrids, primary, Other colors, Vinicolors.
- 34a. Paphiopedilum hybrids, primary, **Multiflora, any color** (3 or more flowers expected when mature).

NOTE: Complex hybrid has a hybrid as one or more parent.

35. Paphiopedilum hybrids, complex, White.
36. Paphiopedilum hybrids, complex, Green/Yellow.
37. Paphiopedilum hybrids, complex, Bronze/Mahogany

- 38. Paphiopedilum hybrids, complex, Red/Pink.
- 39. Paphiopedilum hybrids, complex, Other colors, Vinicolors.
- 39a. Paphiopedilum hybrids, complex, **Multiflora, any color** (3 or more flowers expected when mature).

Best of Classes 27 - 39.

- 40. Phragmipedium species
- 40a. Cypripedium species, hybrids and intergenerics, including, Selenipedium, Mexipedium.
- 41. Phragmipedium besseae hybrids, but excluding Phragmipedium kovachii.
- 41a. Phragmipedium kovachii hybrids.
- 42. Phragmipedium hybrids other than above.

Best of Class 40 - 42.

F. Vanda and Phalaenopsis Alliance

NOTE: Multiflora refers to flowers 3 inches or less, with multi-branched inflorescences when mature.

- 43. Phalaenopsis and Doritis species.
- 44. Phalaenopsis hybrids, White, no markings.
- 45. Phalaenopsis hybrids, White with colored lip, no markings.
- 46. Phalaenopsis hybrids, White with markings.
- 47. Phalaenopsis hybrids, Multiflora, White, with or without markings.
- 48. Phalaenopsis hybrids, Pink, no markings.
- 49. Phalaenopsis hybrids, Pink, with markings.
- 50. Phalaenopsis hybrids, Multiflora, Pink, with or without markings.
- 51. Phalaenopsis hybrids, Yellow, no markings.
- 52. Phalaenopsis hybrids, Yellow, with markings.
- 53. Phalaenopsis hybrids, Multiflora, Yellow, with or without markings.
- 54. Phalaenopsis hybrids, Other colors, no markings.
- 55. Phalaenopsis hybrids, Other colors, with markings.
- 56. Phalaenopsis hybrids, Multiflora, Other colors, with or without markings.
- 57. Phalaenopsis hybrids, Blushes.

Best of Classes 43 - 57.

- 58. Aerangis species, hybrids and intergenerics.
- 59. Angraecum species hybrids and intergenerics, other than above.
- 60. Vanda species, flowers 1½ inches or less.
- 60a. Vanda species, flowers larger than 1½ inches.
- 61. Vanda hybrids, Orange/Yellow, flowers 1½ inches or less.
- 61a. Vanda hybrids, Orange/Yellow, flowers larger than 1½ inches.
- 62. Vanda hybrids, Red/Pink, flowers 1½ inches or less.
- 62a. Vanda hybrids, Red/Pink, flowers larger than 1½ inches.
- 63. Vanda hybrids, Blue/Purple, flowers 1½ inches or less.

- 63a. Vanda hybrids, Blue/Purple, flowers larger than 1½ inches.
- 64. Vanda hybrids, Other colors, flowers 1½ inches or less.
- 64a. Vanda hybrids, Other colors, flowers larger than 1½ inches.
- 65. Rhynchostylis species, hybrids and intergenerics other than above.
- 66. Renanthera and Aerides species, hybrids and intergenerics other than above.
- 67. (void – not in use)
- 68. Vanda allied genera species other than above.
- 69. Vanda allied hybrids and intergenerics other than above.

Best of Classes 58 - 69.

G. Oncidium Alliance

- 70. Brassia species, hybrids and intergenerics.
- 71. Miltonia/Miltoniopsis species and hybrids.
- 72. Miltonia/Miltoniopsis intergenerics other than above.
- 73. Oncidium species.
- 74. Oncidium hybrids.
- 75. Tolumnia (equitant Oncidium) species and hybrids.
- 76. Oncidium intergenerics other than above.
- 77. Traditional Odontoglossum species, hybrids and intergenerics other than above. Entries MUST have a species previously labeled as Odontoglossum in its genetic background.
- 78. Oncidium allied genera species, hybrids, and intergenerics, other than above.

Exhibitor has option of entering here or 70 – 76 but not both.

Best of Classes 70 - 78.

H. Cymbidium Alliance

- 79. Cymbidium hybrids, flowers 3 inches or larger.
- 80. Cymbidium hybrids, flowers smaller than 3 inches.
- 81. Cymbidium species and allied genera species, hybrids and intergenerics, other than above.

Best of Classes 79 - 81.

I. Dendrobium

- 82. Dendrobium species, Nobile type.
- 83. Dendrobium species, Phalaenopsis and Antelope types.
- 84. Dendrobium species, Other types.
- 85. Dendrobium hybrids, Nobile type
- 86. Dendrobium hybrids, Phalaenopsis and Antelope type.
- 87. Dendrobium hybrids, Other types.
- 88. Dendrobium allied genera species, hybrids and intergenerics, other than above.

Best of Classes 82 - 88.

J. Miscellaneous Genera

89. Masdevallia and Dracula species.
90. Masdevallia and Dracula hybrids and intergenerics.
91. Pleurothallis species, hybrids and intergenerics other than above.
92. Pleurothallis allied genera species, hybrids and intergenerics other than above.
93. Lycaste species, hybrids and intergenerics.
94. Maxillaria species, hybrids and intergenerics other than above.
95. Zygopetalum and allied genera species, hybrids and intergenerics other than above.
96. Catasetum, Cycnoches, Mormodes and allied genera species, hybrids and intergenerics.
97. Bulbophyllum and allied genera species, hybrids and intergenerics.
98. Orchid species not covered elsewhere.(No limit on number entries by exhibitor 98 & 99)
99. Orchid hybrids and intergenerics not covered elsewhere.
100. Miniature species, hybrids and intergenerics, Classes 27—42 and 58—99 (**Excludes Cattleya and Phalaenopsis**), and may not be entered in any other class above.

NOTE: miniature is defined as a naturally occurring diminutive plant in flower not exceeding 6 inches in growth, excluding inflorescence.

Best of Classes 89 - 100.

101. Seedling flowering for the first time, Classes 10 through 100, and may not be entered in any other class above.
102. Specimen plants. **May be DOUBLE entered, here and in the appropriate class above.**

K. Art Entries – Orchid Related

103. Paintings, Etchings, Charcoals, etc.
104. Photographs, Color
- 104a. Photographs, Black and White.
105. Other arts and crafts featuring orchids, **excluding fabric items**: Ceramics, China, Sculpture, Jewelry, Metal Art, other than above.
- 105a. Other arts and crafts featuring orchids - **Fabric and cloth items**: Quilts, Needlepoint, Tapestry, etc.

NOTE: Classes 103 – 105a must have been created by the exhibitor.

Best of Classes 103 - 105a.

L. Orchids in Use

106. Collectibles – Any type orchid related artwork, crafts, or related articles.
107. Orchids for personal adornment (Corsages, Bridal bouquets, Hair pieces, etc).
108. Orchid Arrangements.

Best of Classes 106 - 108a.

SPECIAL AWARDS:

AMERICAN ORCHID SOCIETY SHOW TROPHY

The best orchid exhibit in the show.

Awarded by the AOS Judges.

EASTERN IOWA ORCHID SHOW GRAND CHAMPION PLANT

Best plant in the show

EASTERN IOWA ORCHID SHOW RESERVE GRAND CHAMPION

Second best plant in the show

PEOPLES' CHOICE EXHIBIT

Voted favorite EXHIBIT in the show by attendees; to be awarded at 3pm Sunday.

Tags will be available for public to vote by exhibit number.

SHOW CHAIRMAN'S AWARD

Show Chairman's pick for his favorite plant or exhibit in show.

NATURE'S BEST AWARD

Best species exhibited in the show.

WEIRD AND WONDERFUL AWARD

'Strangest' or most unusual plant in the show.

MINI BUT MIGHTY

Best small flowered orchid in the show.

OPEN EXHIBITION TABLE AWARDS

Plants will be ribbon judged in classed above with additional awards optional

(Other than the AOS Trophy; these special awards shall be decided by a select committee designated by the show chairman or by the show chairman alone)

Special thanks to our business sponsors: Raining Rose, Eco Lip, and Pepsico.

Thank you to the City of Cedar Rapids and the city Parks Department for allowing the society to hold this show in the Noelridge Greenhouses. Special thanks to Kristie, Lori and other Parks Dept. employees and Friends of Noelridge volunteers for their assistance.

Special thanks to the members of the Eastern Iowa Orchid Society who helped with planning, show operations, judging, hospitality, and publicity for this show.
